R. Srinivasa Iyengar, Esq., B.A., B.L.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

Sir,

I have the honour to submit herewith copy of letter No.C.20/25-26 dated the 15th September 1925 received from the Deputy Commissioner Mysore District requesting sanction to the purchase of certain lands from the compensation amount awarded by the Mysore Trust Board for having acquired the inam lands endowed to Sri --- Anjaneyaswami temple at Trangere, Mysore Taluk and to treat them as inam, and to state that the trust board acquired the marginally noted inam lands and -- awarded a compensation of Rs.1375-13-2. This amount was deposited in the Government Savings Bank and with the annual interest it has now gone up to Rs.1816-3-9 according to the pass book enclosed.

Trangere	A.G.		
S.No.91	4-35	assessed at Rs.	5/-
" 99	4-23	"	5/-
	9-18	Rs.	10/-

On a previous occasion the arrangement to purchase some lands in the Seringapatam Taluk from this compensation amount fell through as the offer made by the owner of those lands was not acceptable. This fact has been reported to Government and recorded in Government order No.2462/M.F.453-10-2 dated the 27th March 1911.

Collection destroyed

Now the Deputy Commissioner requests sanction to the purchase of the*marginally noted lands from the amount at the credit of ---- the institution in the Savings Bank account. The Deputy Commissioner who was asked to report whether the vendor was in a position to transfer the lands free from encumbrances as he would get only a

sum of Rs.1410/- for the two acres and 14 guntas at Rs.

acre, while S.No.4 also with other properties had been mortgaged for a sum of Rs.2000/- states in reply (vide copy of his letter enclosed) that the mortgagee has since obtained a stamped receipt for having paid a sum of Rs.650/- to the mortgagee towards part payment of principal and interest in full till 2-1-26, leaving a balance of Rs.1350/- and current interest yet due to him. This amount is proposed to be paid from the sum of Rs.1410/- to be paid by Government to the vendor and the mortgage redeemed.

In this circumstance I beg to recommend the purchase of the land for the temple.

As regards the quit-rent to be levied on the lands which have to be treated as inam in lieu of that acquired, it is seen from the Amildar's latest report that including the water rate which is --- levied at Rs.7-8-0 per acre the assessment on the lands to be purchased amounts to Rs.20-12-0, while that on the land acquired amounted to Rs.10/-. Since nothing except the local cess is reported to be -- levied on the land acquired a sum of Rs.10-12-0 has to be levied as Jodi on the lands recommended to be purchased for the temple, the lands have also to be treated as inam.

The vernacular records are herewith submitted for perusal and kind return.

I have the honor to be,

Sir,

Your most obedient servant,

C.S.Balasundaramiyer

Muzrai Commissioner.

Letter No.C.20/25-26 dated 12/15th September 1925 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

"I have the honor to submit herewith the correspondence en ing with the Mysore Taluk Amildar's report No.C.66 of 24-25 dated 13-8-1925 and to state as follows:

Survey No. 91 measuring 4 acres 35 guntas and assessed at Rs.5/- of Karnagere village, Mysore Taluk, a Devadaya Inam granted to the Sri Anjaneyaswami temple at Karnagere was acquired by the Mysore Trust Board in the year 1903 for Jalapuri extension of the Mysore City and a compensation of Rs.487-3-0 was awarded therefor. This amount was deposited in the Government savings Bank.

Government in their order No.5065-8 dated 27th April 1906 sanctioned the purchase of S.No.121 of Karimanti village Seringapatam Taluk. As soon takarar arose at the time of the Registration of the bond, the transaction fell through and on submission of a report to Government to cancel the purchase of the said survey number, it was cancelled by the Government in their No.3462/453-10-2 dated --- 27-3-1911.

Thereupon the Amildar of Mysore and Nanjangud Taluks were directed to select some suitable lands and submit a report.

The Amildar, Mysore Taluk, selected certain survey Nos. and a reference was made to the Special Land Acquisition Officer, Krishnarajasagara who stated that there was no probability of the selected lands ~~xxx~~ being irrigated in the near future.

Again according to Government Order No.Rs.7776/Mil.21-19-41 dated 13-1-1920, survey No.99 measuring 4 acres and 23 guntas and assessed at Rs.5/- of the Karnagere village, Mysore Taluk enjoyed as inam to the same institution was also acquired for the extension of - Narasimharaj Mohalla and a sum of Rs.783-5-2 was awarded as compensation This amount was also ordered to be credited to the Savings Bank Dep t in the name of the institution and the Amildar, Mysore Taluk is ----- directed to select some other land to be granted in exchange.

The Amildar, Mysore Taluk selected the land alienated Inam Khatedar Subbanna.

S.No.	Extent	Water rate assessment.	(et) of ------
3	1-35	9-12-0	3-6-0
Out of 4	0-29	4- 5-10	0-12-0
	2-14	14- 1-10	3-2-0

Kalastvadi village Mysore Taluk, and recommended that

that the same may be purchased at Rs.600/- an acre and treate Inam. Thereupon, the Amildar who was again requested to report as to whether the lands proposed to be purchased are free from -- encumbrances, now states that on a reference to the Registers of the Sub Registrar's Office it is found out that S.No.3 measuring 1 acre 25 guntas has been purchased by Subbanna from Bore Gowda that it is registered in Subbanna's name and that the other S.No.4 has ~~xxxxxxxxxxx~~ been mortgaged to Manjundayya and Thimmiah of Mysore for Rs.2000/- and that this fact has been admitted by Khatedar -- Subbanna who has agreed to release the lands from the mortgage at the time of sale of lands to the institution.

Both the Amildar and the Sub Division officer recommend the purchase of lands and the Dharmadarsis of the temple have no --- objection to the above recommendation and to the payment of the difference of survey valuation of the lands acquired and that of the lands proposed to be purchased as Jodi to Government.

In these circumstances, I have the honor to request that sanction of Government to be obtained for purchasing the said extent of land and for treating them as Inam."

Muzrai Commissioner.

Letter No.C.20/25-26 dated the 28th February 1926 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

"With reference to your letter No.C.409/25-26 dated the 5th November 1925, calling for further particulars in the matter of purchase of certain lands at Kalastvadi, Mysore Taluk for the benefit of Sri Anjaneyaswami -- temple at Suranagere, Mysore City, I have the honor to state that from the receipt granted by Nanjundappa and Thimmanniah in favour of Subbanna, the owner of theland now proposed to be purchased it is seen that only a sum of Rs.1350/P with interest on the said sum from 2-1-1926 is due to the --- mortgagers Nanjundappa and Thimmanniah.

As regards the levy of Jodi on the land now proposed to be acquired the Amildar reports that the assessment of the lands acquired amounts to Rs.10/- and that the assessment of the land now proposed to be acquired - is Rs.3-8-0 dry assessment and Rs.17-10-0 water rate at Rs.7-8-0 per acre.

The vernacular papers ending with the Mysore Sub Division Officer's memo No.N.Dis.on 610 of 25-26 dated 19-1-26 are herewith re-submitted for reference and kind return."
